About CFS

www.stlcfs.org

The CFS golf tournament is all about raising funds to help children and families throughout the St. Louis area. Each day CFS receives calls to provide a loving and safe environment for children in need. Many of the children bring only the clothes they are wearing into foster care. The funds raised today go toward finding safe and loving homes for children as well as provide them with basic necessities such as shoes, coats, tooth brushes and pajamas, and to help them feel hopeful about their future. Thanks for your help!

The goal of the CFS golf tournament is to raise over $25,000 for children and families in need. With your giving, we look forward to making this year's tournament a huge success! Thanks for your help.
